2. With regard to the above provisions, Board has received representations regarding difficulties being faced in implementation of the above stated provisions when there are problems encountered due to instability of ICEGATE.

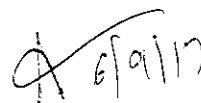

Issue in brief: Many a times, importers have not been able to file Bill of Entry for clearance of imported goods within stipulated time period because of certain technical problems related to ICEGATE connectivity, server etc. It is also brought to notice of the Board that there are instances when, even after filing a Bill of Entry within the prescribed time period, it is subjected to payment of charges for late filing as its number is not generated within the free period, prescribed under section 46 of the Customs Act, 1962.

3. Board has examined the issue and accordingly following clarification is given.

Board is of the view that importer should not be penalised for delay happening due to any system related fault. In this regard, section 46 of the Customs Act, 1962 provides that payment of charges for late presentation of the Bill of Entry is subject to existence of sufficient cause to the satisfaction of proper officer. The proper officer in this regard is Additional or Joint Commissioner of Customs, as provided in Notification No. 40/2012-Cus (N.T.) dated 02.05.2012. The jurisdictional Additional/Joint Commissioners of Customs are advised to judiciously exercise power conferred on them to ensure that the trade and stakeholders particularly the diplomatic community are not put to undue hardship and necessary relief, as applicable, may be provided to the importers in bona-fide cases and can exercise powers in the interest of ease of doing business.

4. Difficulty, if any, in implementation of the above directions may be brought to the notice of the Joint Commissioner (Systems).
