

“Though the panel has to be drawn up by the Central Government Employees Welfare Coordination Committee keeping in view the requirements of the Central Government Employees stationed at particular place and their geographical distribution, the actual nomination of Authorized Medical Attendants should be done by the individual heads of the Department to meet their requirement. Hence, all doctors included in the panel would not be nominated for a particular office/ Department unless considered very essential. Only the doctors from the panel nominated by the Heads of Department as Authorized Medical Attendants for their employees would be recognized as Authorized Medical Attendants. This will be in addition to Authorized Medical Attendants who are Central or State/ Union Territories Government Employees as envisaged under Rule 2(a) of the CS(MA) Rules.”

All the members of the CGEWCC are requested to inform this office difficulties faced if any, while taking treatment with the AMAs for taking appropriate action at our end.
