a) **Skills:** should be able to communicate with the check in/ out operator and machine operator using wireless equipment. He should understand the operational protocol of scanning and intimate the concerned regarding any deviation.

b) **Educational Qualification:** SSC or equivalent and above.

### iv. **Site Lead (Highly skilled):**

a) **Skills:** overall supervision over the manpower of service provider, communication skills and other relevant skills.

b) **Educational Qualification:** Diploma in Engineering or equivalent and above; knowledge of computers/electronics/ mechanical is desirable.

## II. **Job Responsibilities:**

### A. Marshal (semi-skilled)

- Carry out the duties as per instruction from Customs department.
- Administer the site as per operational requirement or pre-defined procedure. Guide or instruct driver for site guidelines as per defined protocols.
- Escort driver during operations and ensure site instructions as per site requirements.
- Check the vehicle for presence of humans inside, so that they can be escorted out of exclusion zone before start of Scanning process.
- Always be alert of operation and be vigilant of escorted people.
- Report to Customs department and scanning operator before and after shift.
- Keep the equipment/ machinery in good working conditions.

- Report any near misses or incidents. Keep trailer truck drivers in control at site and restrict unauthorized people in scanning zone.
- Maintain log of external visitor to site and provide necessary instruction during their presence at site.
- Allow truck through height-limiter. If the height is within limit, truck is then guided on to Weigh-bridge platform. Otherwise, inform Customs and guide the vehicle as per the instructions received.
- Guide the driver to park truck on Weigh-bridge platform and check the weight MT.
- Guide the truck to enter inside scanning zone and stop on marked location on floor.
- Ensure that Truck's engine is put to OFF and hand brake applied.
- Marshall and driver then exit scanning area (exclusion zone) and give confirmation.
- Once the scanning is completed, Marshal and Driver enter the scanning area (exclusion area) and guide the Driver to take Truck out from the scanning area.

#### B. Scanner Operator (Highly Skilled)

- To Operate the Scanner from Scanner Operator cabin.
- Maintain the safety check in exclusion zone.
- Communicate with marshal on ground for scanning process.
- Alert Maintenance engineer at site in case of any malfunction or equipment alarm which needs technical assistance of maintenance team.
- Operate the scanner as per defined operation procedure and adhere to the routine.
- Follow AERB guidelines for operations of scanner.
- Keep the people aware of radiological safety for ground staff and people around the scanning zone.
- Keep or make the staff aware about the various radiation safety measures to be in place.
- Keep the scanner in good operating health and provide the reports at the end of each operating shift.
- Keep log of near misses and record of any incident at sites.
- Alert truck drivers before start of each scan.
- Take the responsibility of keeping the key for operating scanner within his/her possession or handover to the supervisor / next shift operator only as per shift change defined protocols.
- X-ray Scan option pop-ups on the main software screen inside Control room. Re-ensures no presence inside the scanning area through the CCTV and give warning message through the public address system (auto/ manual). Check all safe conditions for scanning operation are met.
- System gives warning by activating audio alarm and by red light blinking in the warning signal lights located on the scanner. X-ray scanning starts and the scanner moves towards container to be scanned.

#### C. Check-in/ Check-out Operator (skilled)

- Check-in operations.
- Enter the data of Containers, when the operation data requires manual feed.
- Sequencing the trucks for scanning.
- Matching selected container from EDI list with the container came for scanning.
- Get the EIR/ pick-up ticket copy from driver and verify IGM number and select the same in the Check-in software received online from Customs' EDI connectivity.
- Hand over EIR/ pick-up ticket to the driver with scan verdict.
- Check out operations

#### D. Site lead (Highly Skilled)

- Supervise overall administration and operations of scanning site.
- Site reporting.
- Coordination between Customs officers and operations team.
- Resolving site related issues.
- Maintains records as per Atomic Energy Regulatory Board (AERB) regulations and as mutually agreed.

4. Service provider should provide Thermo Luminescent Dosimeter (TLD) Badge to each operator. He should also arrange lead apron for each operator during the working area to get protected from x-rays. Further, Communication equipment, aprons and any other equipment as deemed necessary for the operation of the MXCS needs to be arranged by the service provider. The Contractor should be responsible for obtaining the valid security clearance accorded by the appropriate authority for entering the premises of container scanner facility for the required manpower service.

5. **Training of manpower:** The Contractor shall submit the names of the personnel and details thereof in required format to the Department and the training of said personnel to operate the Scanner shall be nominated by the Department and the same shall be imparted by M/s Smiths Detection Pte Ltd, the Original Equipment Manufacturer of the MXCS Scanner. Training shall be conducted in regular intervals of 6 months.

6. **Confidentiality:** The Service provider's personnel shall not divulge or disclose to any persons, any details of office, operational process, technical know-how, security arrangements, administrative and/or organizational matters as all are of confidential/secret nature. In case the Department comes to know about any such act done by the Contractor's Personnel, the office reserves the right to cancel the contract and in that case the performance guarantee will be liable to be forfeited.

7. Care should be taken while operating the machine, so that no damage occurs to the MXCS. In case of any damage to the system by the service provider, cost of repairs if any, will be recoverable from the service provider. Service provider shall bear the responsibility for the same and will be penalized as assessed by the department.

8. **Payment Terms:**

Payment shall be made monthly, i.e. after ending of every month and on submission of bill along with monthly service report for the period duly signed by in-charge of respective unit where machine is installed. No advance payment(s)/ no interest on any delayed payment will be made.

If any complaint is received, regarding the functions of the Manpower supplied, from the receiver i.e. Container Scanning Division, payment for the same period may be reduced or rejected by the Competent Authority. The decision of the Competent Authority would be binding on the service provider.

GST TDS/TCS and other applicable taxes shall be deducted as per statutory compliance.

9. If at any time during currency of JOB the SCOPE OF WORK for which the job has been awarded is reduced/ abandoned, the payment/value of this job order shall be reduced on pro-rata basis by this office and would be binding on the service provider.

10. **Cancellation of contract:** The tender accepting authority can anytime cancel the contract without assigning any reason thereof, by giving a 15 days' notice. No Compensation will be paid to the contractor/Firm, however in case of such cancellation regular bills up to the date of cancellation will be paid.

11. **Earnest Money Deposit (EMD):** The bidder should duly fill and sign, stamp and upload bid security declaration as annexed with this NIT. Failure in doing the same will result in cancellation of technical bid.

12. **Performance Guarantee:** The Successful bidder has to submit 10% of the total contract value as performance guarantee deposit in the form of a Bank Guarantee from a Nationalized Bank/Scheduled Bank drawn in favour of "The Commissioner of Customs, Chennai" within 15 days from the date of awarding contract. The performance guarantee shall be returned to the selected bidder without any interest on the completion of contract period. The validity of the Bank Guarantee should be for 14 months from the date of contract. Performance Guarantee will be released upon expiry of 14 months. Performance guarantee will be forfeited in case of noncompliance of Agreement/work order issued by this office within a period of 12 months.

13. **Indemnification:**

- A. The service provider hereby agrees and undertakes to indemnify and shall keep this Office indemnified against acts of omission or negligence, dishonesty or misconduct of the men engaged for the work and this office shall not be liable to pay any damages or compensation to such person or to third party. All damages caused by the personnel shall be charged to the service provider and recovered from its dues/bills. It is the responsibility of the service provider to verify the antecedents of the persons employed by him.
- B. The Contractor shall be solely responsible for any/all disputes and obligations between him and the personnel deployed by him. The Department shall not be responsible in any manner whatsoever, in matters of hurt / loss / damage on account of accident or mishap, injury/death/health etc. of the service provider's employees performing duties under the contract. The Department will not entertain any such dispute and there should be no claim or liability against Custom House, Chennai or any of its officers on this account. The Contractor hereby agrees and undertakes to indemnify the Custom House, Chennai against all actions.
- C. The Bidder shall take all possible precautions to prevent any unlawful/disorderly conduct or acts of the employee deployed. The service provider shall be fully responsible for theft, burglary, fire and any mischievous deeds by his staff. The Persons so employed should be employees of the Contractor and shall remain under his control and Supervision. He shall be liable for the wages and any other claim of the person so engaged. The Contractor hereby agrees and undertakes to indemnify, keep indemnifies, hold harmless the Department and its Officers against all losses, penalties, costs and expenses, duties of any kind whatsoever which may arise on account of unauthorized act, fraud deed or any other acts of Contractor or any of its personnel. The Contractor hereby further agrees and undertakes to indemnify and keep indemnifies against any order passed by any executive, quasi-judicial or judicial authority wherein Chennai Customs is compelled to obey the order which arise due to breach of contract by the Contractor.

14. All existing statutory regulations of both State & Central Governments shall be adhered to and complied with by the Service provider and all records maintained thereof should be available for scrutiny by this office. The service provider shall strictly comply with the terms and conditions of the agreement which will be executed with the successful service provider. Failure by the Service provider to comply with such statutory requirements and / or the terms of the agreement during the period of agreement or deficiency in services shall result in termination of the contract. The service provider shall be liable for all the omissions/commissions on his part.

15. The Contractor's persons shall not claim any benefit/compensation/absorption/regularization of service with this office under the provision of Industrial Disputes Act, 1947 or Contract Labour (Regulation & Abolition) Act, 1970. Undertaking from the individual (whose services are hired from the Contractors) persons to this effect will be required to be submitted by the Contractor to this office.

16. Suitable insurance cover protecting the agency against all claims applicable under the workmen's compensation act, 1948 shall be taken by the service provider. The service provider shall arrange necessary insurance cover for any persons even for short duration. This office shall not be liable to any claim arising out of mishap, if any that may take place while discharging the services. In the event of any liability/claim falling on the Commissionerate in this regard, the same will be reimbursed/indemnified by the Service Provider.

17. **Registers and Records to be maintained:** The service provider shall maintain records of persons employed, wages cum muster roll, proof of wages and taxes paid, attendance register and other statutory registers.

18. The contract will be in force for a period of 12 months from the date as mentioned in the award of contract letter and can be renewed or extended with mutual consent.

19. The service provider shall not sublet, transfer or assign his contract or any part thereof to a third party without prior approval of The Commissioner of Customs-IV (Exports), Custom House, Chennai – 600 001.

20. No escalation of price whatsoever would be allowed during the pendency/currency of the contract, for whatever reason.

21. **Arbitration:** Any dispute or difference arising out of this agreement or that which may arise in future shall be resolved amicably through mutual consultations failing which it shall be referred to the sole arbitration of the Chief Commissioner of Customs, Chennai Zone or his nominee. It will be no objection that the arbitrator is a Government Servant, that he had to deal with the matters to which the Contract relates or that in the course of his duties as a Government servant he has expressed views on all or any of the matters in dispute or difference. The award of the arbitrator shall be final and binding on the parties to this Contract.

22. **Site Inspection:** Intending Bidders are advised to inspect and examine the site and its surroundings and satisfy themselves before submitting their tenders as to the nature of the ground and subsoil (so far as is practicable), the form and nature of the site, the means of access to the site, the accommodation they may require and in general shall themselves obtain all necessary information as to risks, contingencies and other circumstances which may influence or affect their tender. A tenderer shall be deemed to have full knowledge of the site whether he inspects it or not and no extra charge consequent on any misunderstanding or otherwise shall be allowed. Superintendent of Customs(CSD), Container Scanner Division, Custom House, Chennai may be approached for inspection, query or clarification.

23. In case of any change in terms and conditions, Addendum or Corrigendum will be issued and the bidder shall abide by the same.

24. **Payment of wages:**

Bidders should be paying minimum wages and allowances to their personnel as prescribed by the respective Central Government authorities as per the latest rates amended from time to time. The transportation, food, medical and other

statutory requirements under the various Acts/Government Regulations in respect of each personnel of the Contractor will be the sole responsibility of the Contractor.

The Service Provider shall make regular and full payment through e- payment to their respective bank accounts of its personnel/labourers as per the law and furnish necessary proof in this regard as and when required by the department.

Proof of payment of appropriate GST, ESI and EPF contributions and other statutory payments will be required to be submitted to this office along with monthly bills.

25. If a firm quotes NIL charges / consideration, the bid shall be treated as unresponsive and will not be considered.

26. The bidder can be blacklisted by the Depts. /Ministries of the Govt. of India/ State Govt. / PSUs, subject to violation of terms and conditions.

27. The contract will be awarded to the service provider after the administrative approval and financial sanction from the Competent Authority. The date of commencement of operations will be specified in the award of contract. The billing for the operations should start from the date of commencement of the actual work.

28. **Force Majeure:** Notwithstanding anything in this agreement to the contrary neither the Custom House, Chennai nor the contractor shall be liable or deemed to be in default for any failure or any delay in performance hereunder, if caused by "force majeure" which term shall mean but not be limited to fire, explosion, natural causes like flood, earthquake, civil commotion, strikes epidemic, pandemic and other acts of God, action of enemies, act of any government or other similar causes beyond the control of the party affected, who shall notify the other party within a reasonable time from the beginning of the operation of said cause and shall thereafter exert all diligence to overcome such cause of delay and resume performance.

### **III. Rate and Prices**

The bidders shall quote their rates for Rate/Unit/Year (in both words and figures) which should include other taxes as applicable as mentioned in the financial bid. The tenderer should ensure that the following documents are part of the Technical Bid:

- a) Annexure III (duly filled in) along with necessary enclosures.
- b) Tender Document and Annexures (properly filled and all pages signed).

This issues with the approval of the Commissioner of Customs.

Date: 22.02.2024
